arrival time

Pure Indulgence operates by appointment only. Hours are subject to change without notice. Please arrive at least 10 minutes prior to your scheduled treatment time so we can have you relaxed and ready for your spa experience. Arriving late will cut into your treatment time and this could result in your therapist needing to shorten your treatment in consideration of our next spa guest. Please plan well ahead.

confirmation and cancellations

We hold your appointments just for you and ask that if you must cancel or reschedule, to provide us with at least 24 hours’ notice. This way we may be able to fill your spot and accommodate clients who are on our waiting list. We confirm your appointment bookings 48 hours in advance. Please text back ‘yes’ to our text reminder to automatically confirm your booking. If you do not confirm within 24 hours of your treatment, your appointment could be released to our waiting list. We require a booking fee of 30% of the treatment fee to secure your appointment with us, payable either through credit card or internet banking. Last minute cancellations or no-shows will be charged a fee at our discretion.

group bookings

Credit card details and a 50% deposit is taken at the time of booking to secure your group pamper. We recommend booking well in advance for group pampers as several therapists are required at the same time.

vouchers

Vouchers are valid for six months only - they will not be redeemed after this date. We cannot be held responsible for expired vouchers. To avoid this happening, keep your voucher somewhere visible or better still, book your treatment when you receive your gift. We do not give change or refund our vouchers and you cannot use your voucher to purchase a voucher for someone else.
